Parents: This honor band is self sufficient for the girls-meaning the girls will be housed on campus and will be under the care of the university; the OB staff's involvement with your child will be limited with the exception of the items listed in the itinerary. We are serving more as transporters than as band directors for them. Mr. Bailey will be attending and he will be transporting the boys to and from the hotel. If you need to reach him, please call his cell at 662-689-0766. I hope that you can attend the concert on Saturday at 2:00pm. Your child may ride home with you.
