Deronda Brooks, OBHS Band Booster President

Dear Potential Sponsor,

I'm writing to you today to request your help with the Olive Branch Band Programs. As you know Desoto County has experienced tremendous growth in the past few years. As a direct result of that growth, new schools have been built and the money the county and city gave to the Olive Branch Band Program has been cut yet again. Because of our budget cut, it is more necessary now than ever for the Olive Branch Booster club to request help financially from our communities businesses.

I'd like the opportunity to tell you more about our band. For the past eight years Olive Branch Bands have received All Superior Scores at local and state level competitions. Traditionally the band has top scoring students in all aspects of their education.

The monies you provide would go for after school lessons for students, two weeks of summer band camp as well as after school practices, travel to and from band competitions and football games and multiple other expenses involved in running a band program.

Attached please find our Proud Supporters Package and an application. We would appreciate any monetary support your business could provide. So please take a moment and fill in the application and mail it along with your check to OBHS Band Programs, P.O. Box 1001, Olive Branch, MS 38654.

Thank you,
Olive Branch Band Boosters
